

REMARKS

The Patent and Trademark Office action dated November 5, 2004, has been carefully considered. Claims 1 - 20 are pending in this application with claims 1 - 10 allowed and claims 11 - 20 subject to objection. Claim 11 has been amended to include an inadvertently omitted step and to clarify the ambiguity relating to the entry portals.

It is believed that the corrections remove the 35USC§112 objection. After the amendment, claims 1 - 20 remain in the application and are considered allowable. Action to that end is respectfully requested.

Dated: January 21, 2005
